YMCA BEFORE AND AFTER SCHOOL CARE

For children in **Pre-Kindergarten through Sixth grade**. Let your child soar beyond the school day. Our Before and After School Program is much more than a place for kids to run, jump and play (although we do that too). We focus on nurturing the potential of every child with homework help, enrichment activities and CATCH curriculum, while providing parents peace of mind knowing their child is safe.

WE OFFER:

- On-site program at your school
- Hours: 7:00am to start of school & after school - 6:00pm
- Dedicated, Enthusiastic and Engaged Staff
- Nationally recognized CATCH curriculum program - Coordinated Approach to Child Health
- STEAM (Science, Technology, Engineering, Art and Math)
- Recreational activities
- Healthy snacks
- Structured homework time
- Daily activities including cooking, dance, basketball, soccer, dramatics and arts & crafts
- Opportunities for volunteerism and community service projects
- Times and grades vary by school district

Participants will be able to participate in Vacation Camp Days when school is closed for select holidays. Summer camp opportunities are also available to all children.
