

OGDENSBURG PUBLIC SCHOOL

COVID-19 Daily Screening for Students

Parents/Guardians: Please complete this short check each morning and report your child's information to the school if they have any symptoms.

Section 1: Symptoms

Any of the symptoms below could indicate a COVID-19 infection in children and may put your child at risk for spreading illness to others. Please note that this list does not include all possible symptoms and			
children with COVID-19 may experience any, all, or none of these symptoms. Please check your child			
daily for these symptoms:			
<u>Column A</u>			
	Chills		
	Rigors (shivers)		
	Myalgia (muscle aches)		
	Headache		
	Sore Throat		
	Fatigue		
	Congestion or Runny Nose		
<u>Column B</u>			
	Cough		
	Shortness of Breath		
	Difficulty Breathing		
	New Loss of Smell		
	New Loss of Taste		
	Fever (measured or subjective)		
	Nausea or Vomiting or Diarrhea		
Students who are sick (e.g. fever, vomiting, diarrhea) should not attend school in-person. If TWO OR			
MORE of the fields in Column A are checked off OR AT LEAST ONE field in column B is checked off,			
please keep your child home and notify the school for further instructions.			
Section 2: Close Contact/Potential Exposure			
Please verify if:			
	Your child has had close contact (within 6 feet of an infected person for at least 10 minutes) with a person with confirmed COVID-19		
	Someone in your household is diag	Someone in your household is diagnosed with COVID-19	
	Your child has traveled to an area of high community transmission.		

OGDENSBURG PUBLIC SCHOOL

If **ANY** of the fields in Section 2 are checked off, your child should remain home for 14 days from the last date of exposure (if child is a close contact of a confirmed COVID-19 case) or date of return to New Jersey. Contact your child's provider or your local health department for further guidance.
