Dave Astor
Superintendent/Principal
Secretary

Skye Patete
Vice Principal

Richard Rennie
Business Administrator/Board

11/2/2020

Hello Ogdensburg Parents,

I just wanted to update you on a few matters;

As a way to continue to keep all Ogdensburg Public School community members safe, we will be adjusting our Reopening/Pandemic Plan (which can be found on our website) with the following updates:

1. Should an individual test positive for COVID-19, they will be required to produce a negative test result to Administration before reentering in-person instruction.
2. Any student or staff member living with someone being testing for COVID-19 due to showing symptoms must participate in virtual instruction until that person being tested, receives a negative test result.

With the holiday season quickly approaching and the desire, and need, to find some normalcy in the world, I want to remind you that if you are traveling to states that have been placed on the restricted travel list by Gov. Murphy, you are required to quarantine for 14 days upon returning from that state. Your child(ren) can receive virtual instruction during this time period. Please comply with this mandate and if you do travel, please do so safely and notify the main office that your child(ren) will be going virtual.

We will be extending our virtual instruction another week in order to complete the upgrading of our univents. We apologize for the inconvenience but in order to complete this project, the heat and water must be turned off within the school. This project was originally scheduled to be completed over the summer but due to delays in receiving the custom-made univents, the project was rescheduled. The new expected return date will be November 16th.

The end of the marking period is next week and grades will be locked starting next week, PLEASE CHECK YOUR CHILD'S GRADE PORTAL, especially in the Middle School grades.

If you filled out the previous survey stating that your child(ren) will be coming back to receive in-person/hybrid instruction but have changed your mind, please resubmit that information on the survey **AND** please email me. The survey can be found on our website. We will make the correction on our rosters.

As always, should you have any questions, concerns, suggestions, please feel free to contact me.
