Hello Parents/Guardians;

As we come to the end of the 1st marking period of the 23-24 school year, I would like to thank everyone for a great start to the year. The enthusiasm that the students had and continue to have and the support from you all has not gone unnoticed and is so very much appreciated.

I do want to remind everyone about Parent/Teacher conferences. If you have not done so already, please schedule a time to meet your child's teacher. To respect everyone's time and ability to discuss the students, please adhere to the timing of the scheduled appointment. Should you need further time for discussions, you may schedule another date to continue your conversation.

I also want to remind everyone about the Horseshoe Ordinance (the driveway in front of the school). The **only** vehicles that should be dropping off or picking up students in the horseshoe are vehicles with a Horseshoe Parking Permit. These vehicles have students or drivers with medical conditions or who have been approved by administration to access the horseshoe during these times. Please adhere to this ordinance, as violators can be subject to a hefty fine.

A few more gentle reminders:

- Please arrive on time to school- No later than 8:10am
- Limit your child's absences to when they are sick
- Please check with your child's teacher regarding bringing in any food items for class parties or birthdays well before the event date
- I would like to invite everyone to our Veterans Day celebration on Monday, 9 a.m. sharp and I would like to thank all of our Veterans.

Again, I want to personally thank you all for a GREAT start to our school year and for the support you have shown our staff, especially during this season of Thankfulness. It is truly an honor working in a district that understands that the best school districts are those that work together.
